SENATOR DWORAK: Mr. President, I move that LB 186 be advanced to Enrollment and Review for engrossing.

PRESIDENT: Is there any discussion on the motion? The question is, shall LB 186 be advanced to E & R final. All in favor signify by saying aye. Contrary. The bill is so advanced.

PRESIDENT: Motions to reconsider. Do you have anything Mr. Clerk?

CLERK: Mr. President, I move we reconsider our action in the passage of LB 8. Signed, Senator Chambers.

PRESIDENT: Chair recognizes Senator Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, the motion that I just put on the desk is that we reconsider our action in passing LB 8. In conversing with the chairman of the Executive Board, this is supposed to be a statute offered to change offered by the revisor. Now there is a substantive change when he substitutes the word "convenient" for "efficient". I had thought that the Executive Board had taken testimony on this bill and had made this decision after a consideration of what the bill is supposed to do, which is allow the private use of an auto and mileage to be granted. With the understanding from the chairman of the Executive Board that the revisor of statutes is the one who constructed this LB 8, which is in the blue copy. I cannot vote for the bill. I voted under a misunderstanding. Therefore, I'm asking that you look at what the bill says, knowing that it is put together by the revisor of statutes and not the Executive Board. This is an improper action, I feel, on his part. I would like the opportunity for a reconsideration.

PRESIDENT: Senator Cavanaugh.

SENATOR CAVANAUGH: I would speak to . . . is that motion properly before the House?

PRESIDENT: Yes. The motion to reconsider is.
